## Product Datasheet

### **PBK recombinant monoclonal antibody, clone R05-1B6, Clone: [R05-1B6], Monoclonal ABN-RAB04897**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | PBK recombinant monoclonal antibody, clone R05-1B6, Clone: [R05-1B6], Monoclonal            |
| Artikelnummer            | ABN-RAB04897                                                                                |
| Hersteller Artikelnummer | RAB04897                                                                                    |
| Alternativnummer         | ABN-RAB04897-100                                                                            |
| Hersteller               | Abnova                                                                                      |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | IHC-P, IP, WB                                                                               |
| Spezies Reaktivität      | Human                                                                                       |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human PBK.         |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human PBK....                         |
| Klonalität               | Monoclonal                                                                                  |
| Klon-Bezeichnung         | [R05-1B6]                                                                                   |
| UniProt                  | 55872                                                                                       |
| Puffer                   | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Formulierung             | Liquid                                                                                      |

| Target-Kategorie       | PBK                                                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1:50-1:100)Immunoprecipitation(1:20)Western Blot (1:500-1:1000)The optimal working dilution should be determined by the end user. |
