## Product Datasheet

### **RPS6KB2 recombinant monoclonal antibody, clone R06-5O2, Clone: [R06-5O2], Monoclonal ABN-RAB05222**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | RPS6KB2 recombinant monoclonal antibody, clone R06-5O2, Clone: [R06-5O2], Monoclonal        |
| Artikelnummer            | ABN-RAB05222                                                                                |
| Hersteller Artikelnummer | RAB05222                                                                                    |
| Alternativnummer         | ABN-RAB05222-100                                                                            |
| Hersteller               | Abnova                                                                                      |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | FC, ICC, IF, IHC-P, WB                                                                      |
| Spezies Reaktivität      | Human                                                                                       |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to human S6K2         |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human S6K2....                        |
| Klonalität               | Monoclonal                                                                                  |
| Klon-Bezeichnung         | [R06-5O2]                                                                                   |
| UniProt                  | 6199                                                                                        |
| Puffer                   | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Formulierung             | Liquid                                                                                      |

|                        |                                                                                                                                                                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | RPS6KB2                                                                                                                                                                                                                                 |
| Application Verdünnung | Flow cytometry (1/50-1/100)Immunofluorescence (1/50-1/200)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)(1/50-1/100)Western Blot (1/500-1/1000)The optimal working dilution should be determined by the end user. |
