## Product Datasheet

### **SCARB2 recombinant monoclonal antibody, clone R07-5W9, Clone: [R07-5W9], Monoclonal ABN-RAB05620**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | SCARB2 recombinant monoclonal antibody, clone R07-5W9, Clone: [R07-5W9], Monoclonal         |
| Artikelnummer            | ABN-RAB05620                                                                                |
| Hersteller Artikelnummer | RAB05620                                                                                    |
| Alternativnummer         | ABN-RAB05620-100                                                                            |
| Hersteller               | Abnova                                                                                      |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | FC, IHC-P, IP, WB                                                                           |
| Spezies Reaktivität      | Human                                                                                       |
| Immunogen                | Original antibody is raised against corresponding to human SCARB2.                          |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human SCARB2....                      |
| Klonalität               | Monoclonal                                                                                  |
| Klon-Bezeichnung         | [R07-5W9]                                                                                   |
| UniProt                  | 950                                                                                         |
| Puffer                   | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Formulierung             | Liquid                                                                                      |

|                        |                                                                                                                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | SCARB2                                                                                                                                                                                                                              |
| Application Verdünnung | Flow Cytometry (1/50-1/100)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1/50-1/100)Immunoprecipitation (1/20)Western Blot (1/500-1/1000)The optimal working dilution should be determined by the end user. |
