## Product Datasheet

### **HA (Influenza A virus H1N1) monoclonal antibody (M40), clone 2E5, Clone: [2E5], Mouse, Monoclonal ABN-MAB5637-M40**

|                          |                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | HA (Influenza A virus H1N1) monoclonal antibody (M40), clone 2E5, Clone: [2E5], Mouse, Monoclonal                      |
| Artikelnummer            | ABN-MAB5637-M40                                                                                                        |
| Hersteller Artikelnummer | MAB5637-M40                                                                                                            |
| Alternativnummer         | ABN-MAB5637-M40-100                                                                                                    |
| Hersteller               | Abnova                                                                                                                 |
| Wirt                     | Mouse                                                                                                                  |
| Kategorie                | Antikörper                                                                                                             |
| Applikation              | ELISA, WB                                                                                                              |
| Spezies Reaktivität      | Virus                                                                                                                  |
| Immunogen                | Recombinant protein corresponding to amino acids 1-566 of virus HA (Influenza A virus, A/Canada-MB/RV2013/2009 (H1N1)) |
| Produktbeschreibung      | Mouse monoclonal antibody raised against recombinant HA (Influenza A virus H1N1)....                                   |
| Klonalität               | Monoclonal                                                                                                             |
| Klon-Bezeichnung         | [2E5]                                                                                                                  |
| Puffer                   | In 1x PBS, pH 7.4                                                                                                      |

|         |                                                                                                                                                                                                                                                                                 |
