| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Bovine, Frog, Goat, Guinea pig, Human, Monkey, Mouse, Porcine, Rat                                                                                                                                                                                            |
| Immunogen                | Keratin-enriched preparation from cultured human epithelial cells                                                                                                                                                                                             |
| Produktbeschreibung      | Twenty human keratins are resolved with two-dimensional gel electrophoresis into acidic (pI 6. 0) subfamilies. This antibody recognizes acidic (Type I or LMW) and basic (Type II or HMW) cytokeratins, including 59 kDa (CK4), 58 kDa (CK5), 56 kDa (CK6)... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.2 mg/mL                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [rKRT/457]                                                                                                                                                                                                                                                    |
| Molekulargewicht         | Multiple                                                                                                                                                                                                                                                      |
