| Kategorie                | Antikörper                                                                                                                                                                                                                                             |
| Applikation              | FC                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Bovine, Canine, Equine, Human, Primate, Rabbit, Sheep                                                                                                                                                                                                  |
| Konjugation              | CF583R                                                                                                                                                                                                                                                 |
| Produktbeschreibung      | CD9 (2310.9) is a recombinant mouse monoclonal antibody that recognizes the human tetraspanin protein CD9. This CF583R antibody conjugate has been validated in flow cytometry. It is supplied at 5 uL/test, with sufficient antibody for 25 tests.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                            |
| Konzentration            | 100 ug/mL                                                                                                                                                                                                                                              |
| Klon-Bezeichnung         | [2310.9]                                                                                                                                                                                                                                               |
| Molekulargewicht         | 24 kDa                                                                                                                                                                                                                                                 |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| UniProt                | <a href="#">P21926</a>                                                      |
| Puffer                 | PBS, 0.1% BSA, 0.05% azide                                                  |
| Quelle                 | Animal                                                                      |
| Anwendungsbeschreibung | Recommended concentration for flow cytometry: 5 uL per million cells/0.1 mL |
