| Konjugation              | CF405M                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | CD63 (24MS05.63) is a recombinant rat monoclonal antibody that recognizes the mouse tetraspanin protein CD63. This CF405M antibody conjugate has been validated in flow cytometry. It is supplied at 5 uL/test, with sufficient antibody for 25 tests.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                               |
| Konzentration            | 100 ug/mL                                                                                                                                                                                                                                                 |
| Klon-Bezeichnung         | [24MS05.63]                                                                                                                                                                                                                                               |
| Molekulargewicht         | 26 kDa                                                                                                                                                                                                                                                    |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| UniProt                | <a href="#">P41731</a>                                                      |
| Puffer                 | PBS, 0.1% BSA, 0.05% azide                                                  |
| Quelle                 | Animal                                                                      |
| Anwendungsbeschreibung | Recommended concentration for flow cytometry: 5 uL per million cells/0.1 mL |
