| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | Synthesized peptide derived from human EPHB1/2/3/4 (Phospho-Tyr600/602/614/596)                                                                                                                                                                              |
| Produktbeschreibung      | Ephrin receptors and their ligands, the ephrins, mediate numerous developmental processes, particularly in the nervous system. Based on their structures and sequence relationships, ephrins are divided into the ephrin-A (EFNA) class, which are ancore... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| UniProt                  | <a href="#">P54762</a>                                                                                                                                                                                                                                       |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                       |

|                        |                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------|
| Reinheit               | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen. |
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                   |
| Application Verdünnung | WB 1:500-2000                                                                                             |
