| Artikelname              | Cdc50B Antibody, Rabbit, Polyclonal                                                                                   |
| Artikelnummer            | AST-C12119                                                                                                            |
| Hersteller Artikelnummer | C12119                                                                                                                |
| Alternativnummer         | AST-C12119-50,AST-C12119-100                                                                                          |
| Hersteller               | Assay Biotechnology                                                                                                   |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ELISA, WB                                                                                                             |
| Spezies Reaktivität      | Human, Mouse                                                                                                          |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human TMEM30B. AA range:91-140                    |
| Produktbeschreibung      | similarity:Belongs to the CDC50/LEM3 family.,...                                                                      |
| Klonalität               | Polyclonal                                                                                                            |
| UniProt                  | <a href="#">Q3MIR4</a>                                                                                                |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Formulierung             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |

|                        |                                                                          |
|------------------------|--------------------------------------------------------------------------|
| Application Verdünnung | WB 1:500 - 1:2000. ELISA: 1:40000. Not yet tested in other applications. |
