| Immunogen                | Purified recombinant human Fyn protein fragments expressed in E.coli.                                                                                                                                                                                         |
| Produktbeschreibung      | This gene is a member of the protein-tyrosine kinase oncogene family. It encodes a membrane-associated tyrosine kinase that has been implicated in the control of cell growth. The protein associates with the p85 subunit of phosphatidylinositol 3-kinas... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P06241</a>                                                                                                                                                                                                                                        |
| Quelle                   | Monoclonal, Mouse                                                                                                                                                                                                                                             |
| Reinheit                 | The antibody was affinity-purified from mouse ascites by affinity-chromatography using epitope-specific immunogen.                                                                                                                                            |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Application Verdünnung | wb 1:500 icc 1:50                                                       |
