| Immunogen                | Purified recombinant human CDX2 protein fragments expressed in E.coli.                                                                                                                                                                                         |
| Produktbeschreibung      | This gene is a member of the caudal-related homeobox transcription factor gene family. The encoded protein is a major regulator of intestine-specific genes involved in cell growth and differentiation. This protein also plays a role in early embryonic ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                     |
| UniProt                  | <a href="#">Q99626</a>                                                                                                                                                                                                                                         |
| Quelle                   | Monoclonal, Mouse                                                                                                                                                                                                                                              |
| Reinheit                 | The antibody was affinity-purified from mouse ascites by affinity-chromatography using epitope-specific immunogen.                                                                                                                                             |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Application Verdünnung | wb 1:1000 icc 1:100                                                     |
