| Artikelname              | S100A7 (psoriasin), Clone: [2A3], Mouse, Monoclonal                                                                 |
| Artikelnummer            | ANO-MO-T40088F                                                                                                      |
| Hersteller Artikelnummer | MO-T40088F                                                                                                          |
| Alternativnummer         | ANO-MO-T40088F-0.5MG, ANO-MO-T40088F-0.1MG                                                                          |
| Hersteller               | Anogen-Yes Biotech Laboratories                                                                                     |
| Wirt                     | Mouse                                                                                                               |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | EIA, IHC                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                               |
| Immunogen                | A short peptide (tdyhkqshgaapcsggs) derived from human S100A7 (psoriasin) was conjugated with KLH for immunization. |
| Produktbeschreibung      | Mouse monoclonal antibody to human S100A7 (psoriasin)...                                                            |
| Klonalität               | Monoclonal                                                                                                          |
| Klon-Bezeichnung         | [2A3]                                                                                                               |
| Isotyp                   | IgG2a,k                                                                                                             |
| Reinheit                 | Protein G affinity purified                                                                                         |
| Formulierung             | Aff. pur.                                                                                                           |
| Lagerung                 | Store at -20°C                                                                                                      |

|                        |                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Human S100A7 (psoriasin)                                                                                                                                  |
| Application Verdünnung | Double distilled water is recommended to adjust the final concentration to 1.00mg/mL.                                                                     |
| Anwendungsbeschreibung | Western blot: This antibody is reactive to 36.85KD GST tagged recombinant S100A7 protein. ELISA: This antibody is reactive to recombinant S100A7 protein. |
