### Anti-GYPC ATA-HPA008965

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Artikelname              | Anti-GYPC                                                                   |
| Artikelnummer            | ATA-HPA008965                                                               |
| Hersteller Artikelnummer | HPA008965                                                                   |
| Alternativnummer         | ATA-HPA008965-100,ATA-HPA008965-25                                          |
| Hersteller               | Atlas Antibodies                                                            |
| Wirt                     | Rabbit                                                                      |
| Kategorie                | Antikörper                                                                  |
| Applikation              | IHC, WB                                                                     |
| Spezies Reaktivität      | Human                                                                       |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence          |
| Konjugation              | Unconjugated                                                                |
| Produktbeschreibung      | glycophorin C (Gerbich blood group)...                                      |
| Klonalität               | Polyclonal                                                                  |
| Isotyp                   | IgG                                                                         |
| NCBI                     | <a href="#">2995</a>                                                        |
| UniProt                  | <a href="#">P04921</a>                                                      |
| Puffer                   | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative. |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | RYMYRHKGTYHTNEAKGTEFAESADAALQGDPALQDAGDSSRKEYFI                                  |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | GYPC                                                                             |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | IHC: 1:50 - 1:200, WB: 0.04-0.4 µg/ml                                            |
