### Anti-SCRIB ATA-HPA023557

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-SCRIB                                                         |
| Artikelnummer            | ATA-HPA023557                                                      |
| Hersteller Artikelnummer | HPA023557                                                          |
| Alternativnummer         | ATA-HPA023557-100,ATA-HPA023557-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | ICC, WB                                                            |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | scribbled planar cell polarity protein...                          |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.4 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">23513</a>                                              |
| UniProt                  | <a href="#">Q14160</a>                                             |

|                        |                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                  |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                                 |
| Sequenz                | VSVIQFLEAPIGDEDAEEAAAEKRGLQRRATPHPSELKVMKRSIEGRRSEACPC<br>QPDSGSPLPAEEEKRLSAESGLSEDSRPSASTVS |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.             |
| Target-Kategorie       | SCRIB                                                                                        |
| Antibody Type          | Monoclonal Antibody                                                                          |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:1000 - 1:2500, WB: 0.04-0.4 µg/ml                               |
