### Anti-CSK ATA-HPA028425

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-CSK                                                           |
| Artikelnummer            | ATA-HPA028425                                                      |
| Hersteller Artikelnummer | HPA028425                                                          |
| Alternativnummer         | ATA-HPA028425-100,ATA-HPA028425-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | ICC, IHC, WB                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                  |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | c-src tyrosine kinase...                                           |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.2 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">1445</a>                                               |
| UniProt                  | <a href="#">P41240</a>                                             |

|                        |                                                                                      |
|------------------------|--------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.          |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                         |
| Sequenz                | WSFGILLWEIYSFGRVPYPRIPLKDVVPRVEKGYKMDAPDGCPPAVYEVMKNC<br>WHLDAAMRPSFLQLREQLEHIKTHELH |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.     |
| Target-Kategorie       | CSK                                                                                  |
| Antibody Type          | Monoclonal Antibody                                                                  |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:1000 - 1:2500, WB: 0.04-0.4 µg/ml                       |
