### Anti-NRIP2 ATA-HPA039197

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-NRIP2                                                         |
| Artikelnummer            | ATA-HPA039197                                                      |
| Hersteller Artikelnummer | HPA039197                                                          |
| Alternativnummer         | ATA-HPA039197-100,ATA-HPA039197-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | IHC                                                                |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | nuclear receptor interacting protein 2...                          |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.3 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">83714</a>                                              |
| UniProt                  | <a href="#">Q9BQI9</a>                                             |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | LDCLKRLGTSKDLQPRSVIQRRRLVEGNPNWLQGEPPRMQDLIHGQESRRKTS<br>RTEIPALLVNCKCQDQLLRV    |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | NRIP2                                                                            |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | IHC: 1:1000 - 1:2500                                                             |
