## Product Datasheet

### Anti-TET3 ChIP certified ATA-HPA050845

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-TET3 ChIP certified                                           |
| Artikelnummer            | ATA-HPA050845                                                      |
| Hersteller Artikelnummer | HPA050845                                                          |
| Alternativnummer         | ATA-HPA050845-100,ATA-HPA050845-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | ICC, IHC                                                           |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | tet methylcytosine dioxygenase 3...                                |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.1 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">200424</a>                                             |
| UniProt                  | <a href="#">O43151</a>                                             |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                   |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                                                                  |
| Sequenz                | SLKGGLSQQGLKPSLKVEPQNHFSFKYSGNAVVESYVLGNCRPSDPYSMN<br>SVYSYHSYYAQPSLTSVNGFHSKYALPSFSYYGFPSSNPVFPSQFLGPGAWGH<br>SGSSGSFEKKPDLH |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                              |
| Target-Kategorie       | TET3                                                                                                                          |
| Antibody Type          | Monoclonal Antibody                                                                                                           |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:50 - 1:200                                                                                       |
