| Artikelname              | Anti-ATR Antibody, Unconjugated, Rabbit, Polyclonal                                                               |
| Artikelnummer            | ABC-A10092-100                                                                                                    |
| Hersteller Artikelnummer | A10092-100                                                                                                        |
| Alternativnummer         | ABC-A10092-100                                                                                                    |
| Hersteller               | Antibodies.com                                                                                                    |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | WB                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                             |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 400-650 of human ATR (NP_001175.2). |
| Konjugation              | Unconjugated                                                                                                      |
| Produktbeschreibung      | Rabbit polyclonal antibody to ATR....                                                                             |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | Lot Specific                                                                                                      |
| Molekulargewicht         | 301 kDa                                                                                                           |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.02% Sodium Azide.                          |
| Formulierung             | Liquid                                                                                                            |

|                        |                                                                                                                                                                                                                                                                                 |
