## Product Datasheet

### Anti-ETS2 Antibody, Unconjugated, Rabbit, Polyclonal ABC-A10117-100

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ETS2 Antibody, Unconjugated, Rabbit, Polyclonal                                                        |
| Artikelnummer            | ABC-A10117-100                                                                                              |
| Hersteller Artikelnummer | A10117-100                                                                                                  |
| Alternativnummer         | ABC-A10117-100                                                                                              |
| Hersteller               | Antibodies.com                                                                                              |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ICC, WB                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1-469 of human ETS2 (P15036). |
| Konjugation              | Unconjugated                                                                                                |
| Produktbeschreibung      | Rabbit polyclonal antibody to ETS2....                                                                      |
| Klonalität               | Polyclonal                                                                                                  |
| Konzentration            | Lot Specific                                                                                                |
| Molekulargewicht         | 53 kDa                                                                                                      |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.05% Proclin 300.                     |
| Formulierung             | Liquid                                                                                                      |

|                        |                                                                                                                                                                                                                                                                                 |
