| Hersteller               | Antibodies.com                                                                                                             |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ICC, WB                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                      |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 35-320 of human CD66b/CEACAM8 (NP_001807.2). |
| Konjugation              | Unconjugated                                                                                                               |
| Produktbeschreibung      | Rabbit polyclonal antibody to CD66b....                                                                                    |
| Klonalität               | Polyclonal                                                                                                                 |
| Konzentration            | Lot Specific                                                                                                               |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.02% Sodium Azide.                                   |
| Formulierung             | Liquid                                                                                                                     |

|                        |                                                                                                                                                                                                                                                                                       |
