| Artikelname              | Anti-SGSH/HSS Antibody, Unconjugated, Rabbit, Polyclonal                                                           |
| Artikelnummer            | ABC-A10316-100                                                                                                     |
| Hersteller Artikelnummer | A10316-100                                                                                                         |
| Alternativnummer         | ABC-A10316-100                                                                                                     |
| Hersteller               | Antibodies.com                                                                                                     |
| Wirt                     | Rabbit                                                                                                             |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | WB                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                  |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 273-502 of human SGSH (NP_000190.1). |
| Konjugation              | Unconjugated                                                                                                       |
| Produktbeschreibung      | Rabbit polyclonal antibody to SGSH/HSS....                                                                         |
| Klonalität               | Polyclonal                                                                                                         |
| Konzentration            | Lot Specific                                                                                                       |
| Molekulargewicht         | 57 kDa                                                                                                             |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.02% Sodium Azide.                           |
| Formulierung             | Liquid                                                                                                             |

|                        |                                                                                                                                                                                                                                                       |
