| Artikelname              | ANXA5 monoclonal antibody (MF01J), clone 1F4-1A5 (FITC), Clone: [1F4-1A5], Mouse, Monoclonal                                                                  |
| Artikelnummer            | ABN-H00000308-MF01J                                                                                                                                           |
| Hersteller Artikelnummer | H00000308-MF01J                                                                                                                                               |
| Alternativnummer         | ABN-H00000308-MF01J-50,ABN-H00000308-MF01J-3                                                                                                                  |
| Hersteller               | Abnova                                                                                                                                                        |
| Wirt                     | Mouse                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | FC, IF, WB                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                         |
| Immunogen                | ANXA5 (AAH01429, 1 a.a. ~ 320 a.a) full-length recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                                           |
| Konjugation              | FITC                                                                                                                                                          |
| Produktbeschreibung      | FITC conjugated mouse monoclonal antibody raised against a full-length recombinant ANXA5.This product is belong to Cell Culture Grade Antibody (CX Grade).... |
| Klonalität               | Monoclonal                                                                                                                                                    |
| Klon-Bezeichnung         | [1F4-1A5]                                                                                                                                                     |
| UniProt                  | 308                                                                                                                                                           |

|                  |                                                                                                                                                                                                                                                                                 |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer           | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                               |
| Formulierung     | Liquid                                                                                                                                                                                                                                                                          |
