## Product Datasheet

### **Anti-Phospho-Histone H3 (Thr6) rabbit monoclonal antibody [RM160], Rabbit, Monoclonal RMB-31-1093-00**

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | Anti-Phospho-Histone H3 (Thr6) rabbit monoclonal antibody [RM160], Rabbit, Monoclonal |
| Artikelnummer            | RMB-31-1093-00                                                                        |
| Hersteller Artikelnummer | 31-1093-00                                                                            |
| Alternativnummer         | RMB-31-1093-00-100                                                                    |
| Hersteller               | RevMAb                                                                                |
| Wirt                     | Rabbit                                                                                |
| Kategorie                | Antikörper                                                                            |
| Applikation              | ELISA, WB, xMAP                                                                       |
| Immunogen                | A phospho-peptide corresponding to Phospho-Histone H3 (Thr6)                          |
| Produktbeschreibung      | Rabbit monoclonal to Phospho-Histone H3 (Thr6)...                                     |
| Klonalität               | Monoclonal                                                                            |
| Konzentration            | 1 mg/mL                                                                               |
| Klon-Bezeichnung         | [RM160]                                                                               |
| NCBI                     | <a href="#">8350</a>                                                                  |
| UniProt                  | <a href="#">P84243</a>                                                                |
| Puffer                   | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                                   |

|                        |                                                                                    |
|------------------------|------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified from an animal origin-free culture supernatant         |
| Application Verdünnung | WB: 0.1 ug/mL - 1 ug/mL, ELISA: 0.2 ug/mL - 1 ug/mL, Luminex: 0.1 ug/mL - 1 ug/mL. |
