## Product Datasheet

### CYP24A1 Polyclonal Antibody, Rabbit BTL-BT-AP02387

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CYP24A1 Polyclonal Antibody, Rabbit                                                                                                              |
| Artikelnummer            | BTL-BT-AP02387                                                                                                                                   |
| Hersteller Artikelnummer | BT-AP02387                                                                                                                                       |
| Alternativnummer         | BTL-BT-AP02387-20UL,BTL-BT-AP02387-50UL,BTL-BT-AP02387-100UL                                                                                     |
| Hersteller               | BT Lab                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                            |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human AMPK alpha around the phosphorylation site of Thr172. AA range:140-189 |
| Klonalität               | Polyclonal                                                                                                                                       |
| Konzentration            | 1 mg/ml                                                                                                                                          |
| Molekulargewicht         | 58875                                                                                                                                            |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                            |
| Formel                   | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                          |

|                  |         |
