### Recombinant Mouse PRLR/Prolactin Receptor Protein (His & Fc Tag) ELA-PKSM040675

|                          |                                                                                                                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Mouse PRLR/Prolactin Receptor Protein (His & Fc Tag)                                                                                                                                                  |
| Artikelnummer            | ELA-PKSM040675                                                                                                                                                                                                    |
| Hersteller Artikelnummer | PKSM040675                                                                                                                                                                                                        |
| Alternativnummer         | ELA-PKSM040675-100UG                                                                                                                                                                                              |
| Hersteller               | Elabscience                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                             |
| Molekulargewicht         | calculated_mw: 52.5 kDa. observed_mw: 65-70 kDa                                                                                                                                                                   |
| Tag                      | C-His-Fc                                                                                                                                                                                                          |
| NCBI                     | <a href="#">035299</a>                                                                                                                                                                                            |
| UniProt                  | <a href="#">Q08501</a>                                                                                                                                                                                            |
| Expression System        | HEK293 Cells                                                                                                                                                                                                      |
| Reinheit                 | > 90 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Met 1-Asp 229                                                                                                                                                                                                     |
