| Hersteller               | Nordic BioSite                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Applikation              | FC, IHC, WB                                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of mouse TNR, identical to the related rat sequence, and different from the related human sequence by one amino acid. |
| Produktbeschreibung      | Anti-Tenascin-R TNR Antibody . Tested in Flow Cytometry(Fixed), IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                                                   |
| Klonalität               | Polyclonal                                                                                                                                                                              |
| Konzentration            | 500 ug/ml                                                                                                                                                                               |
| Molekulargewicht         | 150 kDa                                                                                                                                                                                 |
| Sensitivitaet            | >5000 cells                                                                                                                                                                             |

|                  |                        |
