## Product Datasheet

### InVivoMAb anti-mouse CD19, Clone: [1D3], Rat, Monoclonal BXC-BE0150

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | InVivoMAb anti-mouse CD19, Clone: [1D3], Rat, Monoclonal                             |
| Artikelnummer            | BXC-BE0150                                                                           |
| Hersteller Artikelnummer | BE0150                                                                               |
| Alternativnummer         | BXC-BE0150-1MG,BXC-BE0150-5MG,BXC-BE0150-25MG,BXC-BE0150-50MG,BXC-BE0150-100MG       |
| Hersteller               | Bio X Cell                                                                           |
| Wirt                     | Rat                                                                                  |
| Kategorie                | Antikörper                                                                           |
| Spezies Reaktivität      | Mouse                                                                                |
| Immunogen                | K562 cells expressing the extracellular domain of mouse CD19                         |
| Klonalität               | Monoclonal                                                                           |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                            |
| Klon-Bezeichnung         | [1D3]                                                                                |
| Molekulargewicht         | 150 kDa                                                                              |
| Pubmed                   | <a href=https://pubmed.ncbi.nlm.nih.gov/25142145 target=_blank rel=nofollow>25142145 |
| Reinheit                 | 95% , Determined by SDS-PAGE                                                         |
| Formel                   | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Target-Kategorie         | CD19                                                                                 |

|                        |                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | in vivo B cell depletion, in vivo CD19 neutralization, in vitro B cell negative selection, Flow cytometry |
|------------------------|-----------------------------------------------------------------------------------------------------------|
