## Product Datasheet

### **RecombiMAb anti-mouse PD-L1 (B7-H1), Clone: [10F.9G2(TM)-CP168], Mouse, Recombinant BXC-CP168-INDUSTRIAL**

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | RecombiMAb anti-mouse PD-L1 (B7-H1), Clone: [10F.9G2(TM)-CP168], Mouse, Recombinant |
| Artikelnummer            | BXC-CP168-INDUSTRIAL                                                                |
| Hersteller Artikelnummer | CP168                                                                               |
| Alternativnummer         | BXC-CP168-5MG,BXC-CP168-25MG,BXC-CP168-50MG,BXC-CP168-100MG,BXC-CP168-1MG           |
| Hersteller               | Bio X Cell                                                                          |
| Wirt                     | Mouse                                                                               |
| Kategorie                | Antikörper                                                                          |
| Spezies Reaktivität      | Mouse                                                                               |
| Immunogen                | Mouse CD274                                                                         |
| Klonalität               | Recombinant                                                                         |
| Konzentration            | Lot specific,typically between 4-11 mg/ml                                           |
| Klon-Bezeichnung         | [10F.9G2(TM)-CP168]                                                                 |
| Molekulargewicht         | 150 kDa                                                                             |
| Reinheit                 | 95% , Determined by SDS-PAGE                                                        |
| Formel                   | PBS, pH 7.0, Contains no stabilizers or preservatives                               |
| Target-Kategorie         | PD-L1                                                                               |

|                        |                                                                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | in vivo PD-L1 blockade*, Immunofluorescence*,<br>Immunohistochemistry (frozen)*, Flow cytometry*, Western blot*,<br>*Reported for the original rat IgG2a RMP1-14 antibody |
