| Wirt                     | Mouse                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                  |
| Applikation              | WB                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                |
| Produktbeschreibung      | Catalyzes the NADPH-dependent reduction of a wide variety of carbonyl-containing compounds to their corresponding alcohols with a broad range of catalytic efficiencies.... |
| Klonalität               | Monoclonal                                                                                                                                                                  |
| Molekulargewicht         | Calculated MW: 36 kDa, Observed MW: 36 kDa                                                                                                                                  |
| NCBI                     | <a href="#">231</a>                                                                                                                                                         |
| UniProt                  | <a href="#">P15121</a>                                                                                                                                                      |
| Puffer                   | Purified antibody in PBS with 0.05% sodium azide,0.5%BSA and 50% glycerol.                                                                                                  |

|                        |                       |
|------------------------|-----------------------|
| Reinheit               | Affinity Purification |
| Formulierung           | Liquid                |
| Target-Kategorie       | Aldose Reductase      |
| Application Verdünnung | WB 1:500-1:1000       |
