| Alternativnummer         | RAY-RB-13-0011-200                                                                                                                                                                                                                                                                                |
| Hersteller               | RayBiotech                                                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                                                             |
| Immunogen                | Immunogen was a synthetic polypeptide derived from human neurophysin II. The polyclonal antibody was produced from a rabbit immunized with peptide immunogen. The IgG fraction was purified from rabbit serum by ammonium sulphate precipitation followed by Protein A/G affinity chromatography. |
| Produktbeschreibung      | Rabbit Anti-Human Vasopressin Antibody...                                                                                                                                                                                                                                                         |
