| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, FC, IHC                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A synthesized peptide from human MARK3 protein                                                                                                                                                                                                                |
| Produktbeschreibung      | The MARK3 Recombinant Monoclonal Antibody is applicable for the following applications: ELISA, IHC, FC. Host: Rabbit. Species Reactivity: Human (Homo sapiens). Immunogen: A synthesized peptide from human MARK3 protein. Accession Number: P27448. Targe... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | Lot specific. Please inquire or refer to the datasheet included in the product pouch.                                                                                                                                                                         |
| Klon-Bezeichnung         | [5C7]                                                                                                                                                                                                                                                         |

|                  |                                                                      |
|------------------|----------------------------------------------------------------------|
| Puffer           | PBS, 150mM NaCl, 50% Glycerol, 0.05% BSA, 0.02% Sodium Azide, pH 7.4 |
| Reinheit         | Affinity chromatography                                              |
| Formulierung     | Liquid                                                               |
| Target-Kategorie | MARK3                                                                |
