### HiTrap Fibro and HiScreen Fibro Prisma protein A chromatography CRM-HI-034A

Artikelname	HiTrap Fibro and HiScreen Fibro Prisma protein A chromatography
Artikelnummer	CRM-HI-034A
Hersteller Artikelnummer	Hi-034A
Alternativnummer	CRM-HI-034A-1
Hersteller	Creative BioMart
Kategorie	Proteine/Peptide
Anwendungsbeschreibung	<p>The Fibro Prisma units have a binding capacity of approximately 30 mg/mL at residence times of 1.5 to 7.5 seconds. Good capacity, low ligand leakage, plus the rigid matrix, make Fibro Prisma units ideal for the purification of monoclonal antibodies. The ready to use format is well suited for preparative purifications when short cycle times, high productivity and flexibility is important. Because of the high flow rates and the high throughput, the units are especially useful for cell cultures with low expression levels. The disposable/single batch format eliminates the need for sanitization.</p>
