Product Datasheet

Recombinant CHIKV E2 Antigen CRM-VAC-0176

Artikelname	Recombinant CHIKV E2 Antigen
Artikelnummer	CRM-VAC-0176
Hersteller Artikelnummer	VAC-0176
Alternativnummer	CRM-VAC-0176-0.5
Hersteller	Creative BioMart
Kategorie	Proteine/Peptide
Molekulargewicht	22255.9518 Da
Reinheit	>99% by SDS-Page and HPLC analysis
Anwendungsbeschreibung	The product is a recombinant human growth hormone indicated for: (a) treatment of paediatric patients with growth failure due to growth hormone deficiency (GHD), (b) treatment of paediatric patients with growth failure due to idiopathic short stature (ISS), (c) treatment of paediatric patients with growth failure due to Turner syndrome (TS), (d) treatment of paediatric patients with growth failure due to chronic kidney disease (CKD) up to the time of renal transplantation, (e) treatment of adults with childhood-onset GHD, or (f) treatment of adults with adult-onset GHD.
