| Artikelname              | Anti-CCR6 Reference Antibody (MSM patent anti-CCR6), Monoclonal                                                                                                                                 |
| Artikelnummer            | SYB-CHB851                                                                                                                                                                                      |
| Hersteller Artikelnummer | CHB851                                                                                                                                                                                          |
| Alternativnummer         | SYB-CHB851-100UG, SYB-CHB851-1MG                                                                                                                                                                |
| Hersteller               | Sanyou Bio                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                      |
| Applikation              | ELISA, FA, FACS, Kinetics                                                                                                                                                                       |
| Produktbeschreibung      | Anti-CCR6 Reference Antibody (MSM patent anti-CCR6)(CHB851) is expressed from CHO. The heavy chain type is IgG1-REM, and the light chain type is kappa. It has a predicted MW of 145.58 kDa.... |
| Klonalität               | Monoclonal                                                                                                                                                                                      |
| Konzentration            | 1mg/ml                                                                                                                                                                                          |
| UniProt                  | <a href="#">P51684</a>                                                                                                                                                                          |
| Puffer                   | 25mM histidine, 8% sucrose, 0.01% Tween80 pH6.2                                                                                                                                                 |
| Reinheit                 | >95%                                                                                                                                                                                            |
| Formulierung             | Lyophilize                                                                                                                                                                                      |
| Target-Kategorie         | CCR6                                                                                                                                                                                            |
