| Artikelname              | Human FCRL5 Protein, Fc Tag (MALS verified), Unconjugated                                                                                                                                                          |
| Artikelnummer            | ABS-FC5-H5253-1MG                                                                                                                                                                                                  |
| Hersteller Artikelnummer | FC5-H5253-1mg                                                                                                                                                                                                      |
| Alternativnummer         | ABS-FC5-H5253-1MG                                                                                                                                                                                                  |
| Hersteller               | AcroBiosystems                                                                                                                                                                                                     |
| Wirt                     | Human                                                                                                                                                                                                              |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                                       |
| Produktbeschreibung      | May be involved in Bcell development and differentiation in peripheral lymphoid organs and may be useful markers of Bcell stages. May have an immunoregulatory role in marginal zone Bcells. - Proteine/Peptide... |
| Molekulargewicht         | 50.0 kDa                                                                                                                                                                                                           |
| Tag                      | C-Fc                                                                                                                                                                                                               |
| NCBI                     | <a href="#">96</a>                                                                                                                                                                                                 |
| Puffer                   | PBS, pH7.4                                                                                                                                                                                                         |
| Reinheit                 | 90%                                                                                                                                                                                                                |
| Formulierung             | Powder                                                                                                                                                                                                             |
