## Product Datasheet

### TRAF4 antibody, Unconjugated, Rabbit, Polyclonal GTX00972

|                          |                                                                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TRAF4 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                   |
| Artikelnummer            | GTX00972                                                                                                                                                           |
| Hersteller Artikelnummer | GTX00972                                                                                                                                                           |
| Alternativnummer         | GTX00972-100                                                                                                                                                       |
| Hersteller               | GeneTex                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | IHC-P, WB                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human TRAF4(437-454aa PKFISHQDIRKRNYYVRDD), identical to the related rat and mouse sequences. |
| Konjugation              | Unconjugated                                                                                                                                                       |
| Klonalität               | Polyclonal                                                                                                                                                         |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                         |
| Molekulargewicht         | 54                                                                                                                                                                 |
| Sensitivitaet            | Superfamily members of TRAF4 are not reactive to this antibody.                                                                                                    |
| NCBI                     | <a href="#">9618</a>                                                                                                                                               |

|                        |                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9BUZ4</a>                                                                                                                           |
| Puffer                 | 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Thimerosal, 0.05mg Sodium azide.                                            |
| Formulierung           | Liquid                                                                                                                                           |
| Anwendungsbeschreibung | WB: 0.1-0.5µg/ml. IHC-P: 0.5-1µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
