## Product Datasheet

### Apolipoprotein M antibody [M5], IgG1, Unconjugated, Mouse, Monoclonal GTX02911

|                          |                                                                            |
|--------------------------|----------------------------------------------------------------------------|
| Artikelname              | Apolipoprotein M antibody [M5], IgG1, Unconjugated, Mouse, Monoclonal      |
| Artikelnummer            | GTX02911                                                                   |
| Hersteller Artikelnummer | GTX02911                                                                   |
| Alternativnummer         | GTX02911-250                                                               |
| Hersteller               | GeneTex                                                                    |
| Wirt                     | Mouse                                                                      |
| Kategorie                | Antikörper                                                                 |
| Applikation              | ELISA, IP, WB                                                              |
| Spezies Reaktivität      | Human                                                                      |
| Immunogen                | Recombinant human apoM                                                     |
| Konjugation              | Unconjugated                                                               |
| Klonalität               | Monoclonal                                                                 |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.) |
| Molekulargewicht         | 21                                                                         |
| Isotyp                   | IgG1                                                                       |
| Sensitivitaet            | This antibody is able to detect native human apolipoprotein M (apoM).      |

|                        |                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">55937</a>                                                                                       |
| UniProt                | <a href="#">O95445</a>                                                                                      |
| Puffer                 | PBS, 0.02% Sodium azide.                                                                                    |
| Formulierung           | Liquid                                                                                                      |
| Anwendungsbeschreibung | *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
