| Wirt                     | Mouse                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                          |
| Applikation              | ELISA                                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                               |
| Immunogen                | Recombinant human IL-27                                                                                                                                                                             |
| Konjugation              | Unconjugated                                                                                                                                                                                        |
| Klonalität               | Monoclonal                                                                                                                                                                                          |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                          |
| Klon-Bezeichnung         | [MT23A14]                                                                                                                                                                                           |
| Isotyp                   | IgG1                                                                                                                                                                                                |
| Sensitivitaet            | The monoclonal antibody is specific for the EBI3 subunit of IL-27 and IL-35 and IL-39. Assays based on antibodies to EBI3 will detect both IL-27 and IL-35. Recombinant IL-39 can also be detected. |

|                        |                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------|
