## Product Datasheet

### **IKB alpha (phospho Ser36) antibody [GT1298], Unconjugated, Rabbit, Monoclonal GTX03210**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | IKB alpha (phospho Ser36) antibody [GT1298], Unconjugated, Rabbit, Monoclonal               |
| Artikelnummer            | GTX03210                                                                                    |
| Hersteller Artikelnummer | GTX03210                                                                                    |
| Alternativnummer         | GTX03210-100                                                                                |
| Hersteller               | GeneTex                                                                                     |
| Wirt                     | Rabbit                                                                                      |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | IHC-P, WB                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                           |
| Immunogen                | A phospho specific peptide corresponding to residues surrounding S36 of human IkappaBalpha. |
| Konjugation              | Unconjugated                                                                                |
| Klonalität               | Monoclonal                                                                                  |
| Konzentration            | 0.39 mg/ml (Please refer to the vial label for the specific concentration.)                 |
| Klon-Bezeichnung         | [GT1298]                                                                                    |
| Molekulargewicht         | 36                                                                                          |

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">4792</a>                                                                                                                                 |
| UniProt                | <a href="#">P25963</a>                                                                                                                               |
| Puffer                 | PBS, 0.05% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                                    |
| Formulierung           | Liquid                                                                                                                                               |
| Anwendungsbeschreibung | WB: 1:500 - 1:2000. IHC-P: 1:50 - 1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
