| Artikelname              | Helicobacter pylori antibody, Unconjugated, Rabbit, Polyclonal                                                                                                        |
| Artikelnummer            | GTX03330                                                                                                                                                              |
| Hersteller Artikelnummer | GTX03330                                                                                                                                                              |
| Alternativnummer         | GTX03330-500                                                                                                                                                          |
| Hersteller               | GeneTex                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | IHC-P                                                                                                                                                                 |
| Spezies Reaktivität      | H. pylori                                                                                                                                                             |
| Immunogen                | Total lysate of H. pylori                                                                                                                                             |
| Konjugation              | Unconjugated                                                                                                                                                          |
| Klonalität               | Polyclonal                                                                                                                                                            |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                                                                                      |
| Sensitivitaet            | This antibody reacts with the whole H. pylori. The antibody stains the bacteria present on the surface of the epithelium or in the cytoplasm of the epithelial cells. |
| Puffer                   | PBS, 0.1% BSA, 0.05% Sodium azide.                                                                                                                                    |
| Formulierung             | Liquid                                                                                                                                                                |

|                        |                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | IHC-P: 1:50-1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
