## Product Datasheet

### Goat Anti-Mouse IgG2c (Heavy chain) antibody, pre-adsorbed (FITC), Polyclonal GTX04209-06

|                          |                                                                                                                                                                       |

| Alternativnummer         | GTX04209-06-1                                                                                                                                                         |
| Hersteller               | GeneTex                                                                                                                                                               |
| Wirt                     | Goat                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | ELISA                                                                                                                                                                 |
| Spezies Reaktivität      | Mouse                                                                                                                                                                 |
| Immunogen                | Pooled antisera from goats hyperimmunized with mouse IgG2c                                                                                                            |
| Konjugation              | FITC                                                                                                                                                                  |
| Klonalität               | Polyclonal                                                                                                                                                            |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                              |
| Sensitivitaet            | Reacts with the heavy chain of C57BL/6 mouse IgG2c. Pre-adsorbed with Mouse IgG1, IgG2a, IgG2b, IgG3, IgM, and IgA. May react with immunoglobulins from other species |
| Puffer                   | PBS, 0.09% sodium azide.                                                                                                                                              |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                          |
| Target-Kategorie       | IgG2c (Heavy chain)                                                                                                             |
| Anwendungsbeschreibung | ELISA: 1:200-1:400. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
