| Alternativnummer         | GTX04454-500, GTX04454-100                                                                                                                                         |
| Hersteller               | GeneTex                                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | IHC-P                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                              |
| Immunogen                | Recombinant fragment (around aa 7-96) of human CALB1 protein                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                       |
| Produktbeschreibung      | This antibody was validated on 76 different Normal Tissues by IHC-P.<br><a href="#">Go to Normal Tissue Gallery</a> <a href="#">Go to Cancer Tissue Gallery...</a> |
| Klonalität               | Monoclonal                                                                                                                                                         |
| Konzentration            | 0.2 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                         |
| Klon-Bezeichnung         | [MSVA-471M]                                                                                                                                                        |

|                        |                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG2c                                                                                                                          |
| Sensitivitaet          | Highly recommended for IHC-P in human tissues.                                                                                 |
| NCBI                   | <a href="#">793</a>                                                                                                            |
| UniProt                | <a href="#">P05937</a>                                                                                                         |
| Puffer                 | PBS, 0.05% BSA (Please contact us for PBS only format), 0.05% sodium azide.                                                    |
| Formulierung           | Liquid                                                                                                                         |
| Anwendungsbeschreibung | IHC-P: 1:50-1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
