## Product Datasheet

### GCR2 antibody, Unconjugated, Rabbit, Polyclonal GTX04585

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | GCR2 antibody, Unconjugated, Rabbit, Polyclonal                                       |
| Artikelnummer            | GTX04585                                                                              |
| Hersteller Artikelnummer | GTX04585                                                                              |
| Alternativnummer         | GTX04585-100                                                                          |
| Hersteller               | GeneTex                                                                               |
| Wirt                     | Rabbit                                                                                |
| Kategorie                | Antikörper                                                                            |
| Applikation              | ELISA, FC, ICC, WB                                                                    |
| Spezies Reaktivität      | Human                                                                                 |
| Immunogen                | E.coli-derived human SGT1/ECD recombinant protein (Position: L50-Q567).               |
| Konjugation              | Unconjugated                                                                          |
| Klonalität               | Polyclonal                                                                            |
| Konzentration            | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)            |
| Molekulargewicht         | 73                                                                                    |
| NCBI                     | <a href="#">11319</a>                                                                 |
| UniProt                  | <a href="#">O95905</a>                                                                |
| Puffer                   | 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , no preservatives. |

|                        |                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.25-0.5 µg/mL. ICC/IF: 5 µg/mL. FCM: 1-3 µg/106 cells. ELISA: 0.1-0.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
