## Product Datasheet

### SLC26A5 antibody, Unconjugated, Rabbit, Polyclonal GTX04615

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SLC26A5 antibody, Unconjugated, Rabbit, Polyclonal                                                                  |
| Artikelnummer            | GTX04615                                                                                                            |
| Hersteller Artikelnummer | GTX04615                                                                                                            |
| Alternativnummer         | GTX04615-100                                                                                                        |
| Hersteller               | GeneTex                                                                                                             |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | ICC, WB                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                               |
| Immunogen                | A synthesized peptide derived from human SLC26A5(Accession P58743), corresponding to amino acid residues A427-V477. |
| Konjugation              | Unconjugated                                                                                                        |
| Klonalität               | Polyclonal                                                                                                          |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                            |
| Molekulargewicht         | 81                                                                                                                  |
| NCBI                     | <a href="#">375611</a>                                                                                              |
| UniProt                  | <a href="#">P58743</a>                                                                                              |
| Puffer                   | PBS, 150mM NaCl, 50% Glycerol, 0.02% sodium azide.                                                                  |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                              |
| Anwendungsbeschreibung | WB: 1:1000-1:3000. ICC/IF: 1:100-1:500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
