## Product Datasheet

### **MMP3 antibody [N1], N-term, Unconjugated, Rabbit, Polyclonal GTX100706**

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MMP3 antibody [N1], N-term, Unconjugated, Rabbit, Polyclonal                                                                                        |
| Artikelnummer            | GTX100706                                                                                                                                           |
| Hersteller Artikelnummer | GTX100706                                                                                                                                           |
| Alternativnummer         | GTX100706-25, GTX100706-100                                                                                                                         |
| Hersteller               | GeneTex                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | ICC, IHC-P                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                               |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the N-terminus region of human MMP3. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                          |
| Konzentration            | 0.73 mg/ml (Please refer to the vial label for the specific concentration.)                                                                         |
| NCBI                     | <a href="#">4314</a>                                                                                                                                |
| UniProt                  | <a href="#">P08254</a>                                                                                                                              |
| Puffer                   | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                                            |

|                        |                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                 |
| Anwendungsbeschreibung | ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
