## Product Datasheet

### GBA antibody [C1C3], Unconjugated, Rabbit, Polyclonal GTX101267

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GBA antibody [C1C3], Unconjugated, Rabbit, Polyclonal                                                                     |
| Artikelnummer            | GTX101267                                                                                                                 |
| Hersteller Artikelnummer | GTX101267                                                                                                                 |
| Alternativnummer         | GTX101267-25, GTX101267-100                                                                                               |
| Hersteller               | GeneTex                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ICC, IHC-P, WB                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                     |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of human GBA. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                |
| Konzentration            | 1.25 mg/ml (Please refer to the vial label for the specific concentration.)                                               |
| Molekulargewicht         | 60                                                                                                                        |
| NCBI                     | <a href="#">2629</a>                                                                                                      |
| UniProt                  | <a href="#">P04062</a>                                                                                                    |
| Puffer                   | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                    |

|                        |                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                 |
| Anwendungsbeschreibung | <p>WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.</p> <p>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.</p> |
