## Product Datasheet

### Calnexin antibody [N3C2], Internal, Unconjugated, Rabbit, Polyclonal GTX101676

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Calnexin antibody [N3C2], Internal, Unconjugated, Rabbit, Polyclonal                                                       |
| Artikelnummer            | GTX101676                                                                                                                  |
| Hersteller Artikelnummer | GTX101676                                                                                                                  |
| Alternativnummer         | GTX101676-100, GTX101676-25                                                                                                |
| Hersteller               | GeneTex                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ICC, IHC-P, WB                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                          |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human Calnexin. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                 |
| Konzentration            | 0.16 mg/ml (Please refer to the vial label for the specific concentration.)                                                |
| Molekulargewicht         | 68                                                                                                                         |
| NCBI                     | <a href="#">821</a>                                                                                                        |
| UniProt                  | <a href="#">P27824</a>                                                                                                     |
| Puffer                   | PBS, 1% BSA, 20% Glycerol, 0.025% ProClin 300.                                                                             |

|                        |                                                                                                                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                  |
| Anwendungsbeschreibung | <p>WB: 1:500-1:10000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.</p> <p>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.</p> |
