## Product Datasheet

### **ADI1 antibody [5C2], IgG1, Unconjugated, Mouse, Monoclonal GTX84957**

|                          |                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------|
| Artikelname              | ADI1 antibody [5C2], IgG1, Unconjugated, Mouse, Monoclonal                                |
| Artikelnummer            | GTX84957                                                                                  |
| Hersteller Artikelnummer | GTX84957                                                                                  |
| Alternativnummer         | GTX84957-100                                                                              |
| Hersteller               | GeneTex                                                                                   |
| Wirt                     | Mouse                                                                                     |
| Kategorie                | Antikörper                                                                                |
| Applikation              | FC, IHC-P, WB                                                                             |
| Spezies Reaktivität      | Human                                                                                     |
| Immunogen                | Full length human recombinant protein of human ADI1 (NP_060739) produced in HEK293T cell. |
| Konjugation              | Unconjugated                                                                              |
| Klonalität               | Monoclonal                                                                                |
| Konzentration            | 0.7 mg/ml (Please refer to the vial label for the specific concentration.)                |
| Klon-Bezeichnung         | [5C2]                                                                                     |
| Molekulargewicht         | 21                                                                                        |
| Isotyp                   | IgG1                                                                                      |
| NCBI                     | <a href="#">55256</a>                                                                     |

|                        |                                                                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9BV57</a>                                                                                                                            |
| Puffer                 | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                                    |
| Formulierung           | Liquid                                                                                                                                            |
| Anwendungsbeschreibung | WB: 1:2000. IHC-P: 1:150. FCM: 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
