## Product Datasheet

### ACAT2 antibody [3C9], IgG2b, Unconjugated, Mouse, Monoclonal GTX84971

|                          |                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------|
| Artikelname              | ACAT2 antibody [3C9], IgG2b, Unconjugated, Mouse, Monoclonal                              |
| Artikelnummer            | GTX84971                                                                                  |
| Hersteller Artikelnummer | GTX84971                                                                                  |
| Alternativnummer         | GTX84971-100                                                                              |
| Hersteller               | GeneTex                                                                                   |
| Wirt                     | Mouse                                                                                     |
| Kategorie                | Antikörper                                                                                |
| Applikation              | FC, ICC, IHC-P, WB                                                                        |
| Spezies Reaktivität      | Canine, Human, Rat                                                                        |
| Immunogen                | Full length human recombinant protein of human ACAT2(NP_005882) produced in HEK293T cell. |
| Konjugation              | Unconjugated                                                                              |
| Klonalität               | Monoclonal                                                                                |
| Konzentration            | 0.96 mg/ml (Please refer to the vial label for the specific concentration.)               |
| Klon-Bezeichnung         | [3C9]                                                                                     |
| Molekulargewicht         | 41                                                                                        |
| Isotyp                   | IgG2b                                                                                     |
| NCBI                     | <a href="#">39</a>                                                                        |

|                        |                                                                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9BWD1</a>                                                                                                                                                 |
| Puffer                 | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                                                         |
| Formulierung           | Liquid                                                                                                                                                                 |
| Anwendungsbeschreibung | WB: 1:1000-1:2000. ICC/IF: 1:100. IHC-P: 1:50. FCM: 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
