| Artikelname              | ABIN3 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                                |
| Artikelnummer            | GTX85255                                                                                                                                                                        |
| Hersteller Artikelnummer | GTX85255                                                                                                                                                                        |
| Alternativnummer         | GTX85255-100                                                                                                                                                                    |
| Hersteller               | GeneTex                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                      |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                    |
| Immunogen                | ABIN3 antibody was raised against a 17 amino acid synthetic peptide near the carboxy terminus of human ABIN3. The immunogen is located within the last 50 amino acids of ABIN3. |
| Konjugation              | Unconjugated                                                                                                                                                                    |
| Klonalität               | Polyclonal                                                                                                                                                                      |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                        |
| Molekulargewicht         | 39                                                                                                                                                                              |
| NCBI                     | <a href="#">79931</a>                                                                                                                                                           |
| UniProt                  | <a href="#">Q96KP6</a>                                                                                                                                                          |
| Puffer                   | PBS, 0.02% Sodium azide.                                                                                                                                                        |

|                        |                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                   |
| Anwendungsbeschreibung | WB: 1 µg/mL. IHC-P: 5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
